

BjTT DATASET LICENSING

The BjTT dataset remains the exclusive property of the Beijing Key Laboratory of Multimedia and Intelligent Software Technology, Faculty of Information Technology, Beijing University of Technology. The user acquires no ownership, rights, or title of any kind in all or any parts of the dataset.

Conditions of the BjTT dataset License are summarized as follows:

- The BjTT dataset can only be used for statistical and scientific research purposes. Any commercial use of the dataset is strictly prohibited. Commercial uses include but are not limited to, testing commercial systems, using any content in the dataset in advertising, selling the data or broadcasting the dataset, and making any commercial use of the dataset.
- The user shall not transfer in any way, permanently or temporarily, distribute or broadcast all or part of the dataset to third parties without prior authorization of the Beijing Key Laboratory of Multimedia and Intelligent Software Technology.
- Other research uses of this database are encouraged. But the user must first obtain prior consent from the Beijing Key Laboratory of Multimedia and Intelligent Software Technology.
- Any books, articles, conference papers, dissertations, reports, or other publications employing data obtained from the BjTT dataset should cite our paper:

Chengyang Zhang, Yong Zhang, Qitan Shao, Jiangtao Feng, Bo Li, Yinsheng Lv, Xinglin Piao and Baocai Yin, "BjTT: A Large-scale Multimodal Dataset for Traffic Prediction"

If you agree with the terms of the conditions, please fill it out and send it to Yong Zhang (zhangyong2010@bjut.edu.cn) to download the database.
